Message:

Dear Mr. Sharp,

As I mentioned in our telephone conversation of this morning, Patent Application No. 10/749,728 (K. Guthrie and J. Schwartz) is a continuation in part of U.S. Patent No. 6,729,821 which resulted from Patent Application No. 10/086,672. All the references cited in the patent should be before you in the present continuation application, but we noted that apparently they were not. Therefore we attach two IDS sheets with the missing references for your information. Thank you very much.
